Poultry Order 2024

It's time to place your order for our meat chickens and turkeys for 2024.

Our chickens are Jumbo Cornish X Rocks that typically weigh out at 5+ pounds. We require a \$5/bird deposit per bird. Our whole chickens are perfect for roasting. We will also piece out the chickens for an extra cost. See the order form below.

Our first birds will arrive at the end of April and will be available mid to end of June. We plan to have chickens available for purchase until the end of October. Talk to us about scheduling your orders.

As always, we will let you know when your order is ready for pickup and your final cost when we begin processing the birds.

Please complete this order form and email, send, or bring it.
